Teaching Experience(s)

Ohio University	Scenography	Justen Locke	Athens, OH	Fall 2015
<ul style="list-style-type: none"> - I was responsible for helping and mentoring the students as they complete their various projects in the class. I taught three students basic design skills for scenic, lighting, and costume design. I also graded and gave feedback on the homework and on their projects to help further their projects. I also assigned their final projects, which came from one of their four projects they did during the semester, which they had to take to completion. 				
Ohio University	Hand Drafting, TA	C. David Russell	Athens, OH	2014-2015
<ul style="list-style-type: none"> - I was responsible for helping and mentoring the students as they complete their various projects in the class. I also graded and gave feedback on the homework as they turned the homework in. When C. David Russell left for design jobs, I was responsible for covering the classes and teaching the students different techniques to help them will their drafting skills. 				
Ohio University	Teaching Asst.	Michael Lincoln	Athens, OH	2013-2016
<ul style="list-style-type: none"> - Mentoring the undergraduate students in the lighting and paint shops as they perform various jobs working on the shows performed at Ohio University. 				
Lon Morris College	Independent Studies	Toni Wright	Jacksonville, TX	2012
<ul style="list-style-type: none"> - I was responsible for teaching basic lighting, scenic, and design elements to students three days a week. The class included test, quiz's, and hands on projects including their final project in which they had to build something useful out of the materials provided. Ex: a book case. 				

Midwestern State University	Rehearsal and Production	Laura Jefferson	Wichita Falls, TX	2007-2011
-----------------------------	--------------------------	-----------------	-------------------	-----------

- Students were required to work in various technical fields as part of this class. I was in charge of teaching the students assigned to the scene shop all the safety procedures, how to use the tools, and make sure they put in their required hours each week. I had to also supervise them on any project for class or given to them during their work hours.

Lon Morris College	Rehearsal and Production	Dennis Weatherly-Green	Jacksonville, TX	2005-2007
--------------------	--------------------------	------------------------	------------------	-----------

- Students were required to work in various technical fields as part of this class. I was in charge of teaching the students assigned to the scene shop all the safety procedures, how to use the tools, and make sure they put in their required hours each week. I had to also supervise them on any project for class or given to them during their work hours.
